MAESTRA

ABOUT US

The cooperation of our founders, Reyhan Aytekin and Özlem Erbaş, started in 2012. Ever-speeding and full of intense international experiences in trade in 2018, their cooperation was reflected on various projects. Food package-oriented project was given life in external trade in 2021. Such project in export and supply spread through different sectors in 2021 and 2022. Together, they established the “MAESTRA” brand in 2023.

Maestra provides long-term and sustainable services, professionally tailored to its customers accommodating their needs and expectations. Our company pays regard to customer satisfaction, while also inspecting and controlling product quality, which endeavors to provide result-oriented solutions in respect of any problems likely to arise.

Maestra cooperates with the most valuable manufacturers and brands in our country which cares for quality, with high sense of responsibility, are experts in their fields and certified. Maestra and its cooperating manufacturers are solution partners.

Maestra has set forth on a bridge connecting countries worldwide and Turkey, and conducts its operations with the full sense of doing business in international standards.

MAESTRA

PRODUCTION

Our solution partner, manufacturers we cooperate with, makes continuous investments in high-tech machinery and equipment, highly technically equipped and trained human resources, and carries out Research&Development studies for product diversification and quality. They use first class quality raw materials suitable for products in contact with skin and produce high quality hygienic products. They follow the national and international standards continuously and apply the "total quality" approach to all the products, with a disciplined and systematic work.

They prioritize customer satisfaction with a competitive price policy, fast and reliable delivery, and a stable production approach.
